We dream & We Achieve

We have continued the 93rd National Day celebrations at our schools through a group of various programs that targeted all of our staff and students.

84 volunteer students have participated to form the largest human slogan, which was organized on September 27th, from 3:00 till 7:30 PM, the Labour Office Al-Khobar, for the 3rd time in a row. The event was followed by an honouring certificate sent by the Labour Office to DAS.

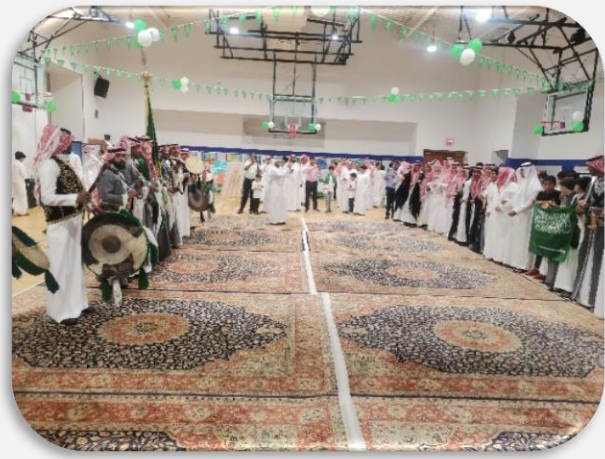

On Monday September 25th, The Arts Exhibition for both the secondary and intermediate levels held an event for the productive families in collaboration with Joud Charity Association in Dammam. Throughout the event, our students were introduced to the traditional handmade tools and how they are made. The Exhibition also included a corner for painting, Arabic calligraphy, photography as well as art crafts.

In a collaborative effort, DAS, Saudi Aramco, and Joud Charity Association organized a national celebration for all levels. The event, attended by students' families, aimed to celebrate the national day and provide entertainment for the schools' faculty, staff, and students. It featured 12 activities, including a "welcome to Saudi" corner, music corner, photography, traditional corner, visual arts, "experience Saudi," and traditional Saudi dance.
